Our purposes: when leaving Mormonism, people often find that they no longer have community or support. Our goal is to provide support for each other and to build community. So, whether you are a member, or left the church recently, or have been out for years, or were never Mormon but are looking for community, come and socialize with us and share your story.

We assist anyone wishing to resign their Church membership or post their own Exit Statement. Recommend www.wasmormon.org.

The Gospel Topics Essays establish that Church Leadership know of the formerly denied or hidden information in the Gospel Topics Essays approved by the First Presidency and the Quorum of the Twelve Apostles. It means much of the information previously advanced by critics was correct. They were the Truth tellers. It means their information once marginalized, denied, minimized, or largely absent from ordinary Church instruction—is now substantially acknowledged by the institution.
